The image displays four separate product listing cards for SanDisk 8GB Ultra SDHC cards. Each card features a small image of the card itself, the text 'SanDisk Ultra 8GB', and a red circular seal or stamp. The first card includes a '热卖' (Hot Sale) badge and a '100% 正品保证' (100% Authenticity Assurance) badge. The second card has a '上海实体店' (Shanghai Physical Store) badge. The third card has a 'SanDisk 闪迪' logo. The fourth card has a '东升开年好市' (Good Year for Opening) badge.

Hello f3894646 , "SanDisk 8G 40m / S -tf" related items

The screenshot shows a Taobao search interface. The search term is 'baby sandisk 8g 40m/s -tf'. A purple annotation highlights the '-' symbol in the search bar with the text 'The “-” helps filter out some obviously wrong results, e.g. tf cards'. Below the search bar, there are four product thumbnails for SanDisk Ultra SD cards, each labeled 'SanDisk 闪迪' and showing '8 GB' and '40 MB/s'.

# Research Question and Modeling Assumptions

Question:

How does a seller decide on

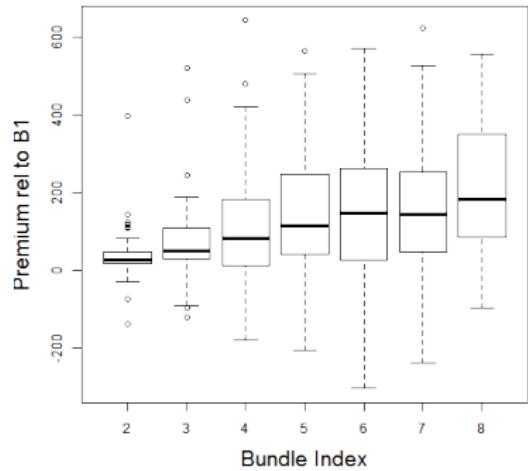

- ▶ what to offer at each position (bundle\_index)?
- ▶ what bundle premium to charge ( $\Delta p$ )?

Assumptions:

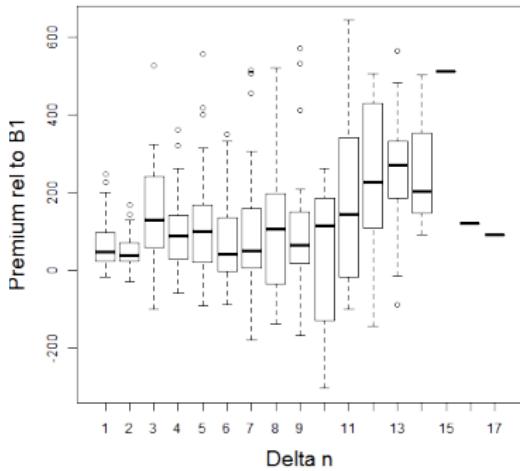

- ▶  $B_1$  and price of  $B_1$  are given exogenously
- ▶ a collection of bundles  $\mathcal{B}$  are given exogenously
- ▶  $\forall B \in \mathcal{B} \Delta n$  rel  $B_1$  is exogenously given
- ▶  $\forall B \in \mathcal{B}$  seller decides on the bundle position j

Baby was received in late February, removed the packaging check one by one, I feel okay. Not use Macro joints, try again later. It is still possible to try a head, a little bit of focus. (May forget to close the aperture files?) Get charging (anonymouse) treasure okay, that is inside the headset does not work well. Get a tripod is not entirely satisfy lovers brigade beat it, you need to buy another. Overall, the entry-level machine in the yard can be a flip-screen high emotional points?

Hello f3894646 , "SanDisk 8G 40m / S -tf" related L

The screenshot shows a Taobao search interface. The search term 'sandisk 8g 40m/s -tf' is entered in the search bar. A purple annotation highlights the '-' character with the text 'The “-” helps filter out some obviously wrong results, e.g. tf cards'. Below the search bar, four product thumbnails for SanDisk Ultra SD cards (8GB, 40MB/s) are displayed. The first thumbnail features a red '热卖' (Hot Sale) badge.
